

# Mulhall-Orlando Public Schools Bond Election Facts

## Election Date: April 4, 2023

**Polling Places:** Regular precinct locations in the Mulhall-Orlando School District

**Polls Open:** 7:00 a.m. to 7:00 p.m.

**The Need:** To approve a \$1,125,000 School Bond Issue for Mulhall-Orlando Public Schools.

On April 4<sup>th</sup> a bond issue will be placed before the patrons of the Mulhall-Orlando School District in the form of two propositions to address several areas in immediate need. \$825,000 of the funds will be spent on projects at both schools sites. A portion of the funds will be used to make needed repairs at the high school. We plan to replace the roof on the classroom building, replace leaking windows, remodel bathrooms, and replace gym heaters. We will also use some of the money to replace carpet in elementary and high school classrooms and replace classroom furniture as needed. The proposed Bond Issue will provide the much needed funds to address these areas of concern.

Additionally, \$300,000 of the Bond Issue will be spent on transportation vehicles. With the money provided we will be able to acquire two route buses and a new Ag vehicle. This will help us by providing safe transportation for our students.

These bonds will be repaid by property taxes within the Mulhall-Orlando School District. These bonds will go on the tax rolls after the previous bond issue pays off. Because the previous bond issue is nearly paid off, this bond issue will return the property taxes back to where they were when the 2018 bond issue passed. It is slightly higher than the current year's taxes. For every \$100 a patron pays in property taxes now, you will see an increase of approximately \$0.20 per month should this bond issue pass.
